Message from Our Pastor

Dear Parishioners:

Our giving is a reflection of our values. When you give to St. Stephen Church, you are giving back to God who has given you and all of us so much. Our church is home to more than 25 community organizations, which cover a wide variety of interests and demographics from Bible Study to the 50 Plus Club to the Filipino American Group to the St. Vincent de Paul Society. St. Stephen Church will continue to broaden and extend its service and outreach with your generous support.

Please consider making St. Stephen Church your primary giving recipient in 2008. With e-Contributions, giving is much easier. Below is a chart which can be used as a guideline for your weekly giving plan. We are grateful for any and all donations. No amount is too small. If you have any questions, please contact me directly or call Jim Cook at the Parish Center, 415/681-2444 ext. 23.

Sincerely yours in Christ,

Reverend Joseph Walsh
